the U.S.
Market**

MONTH THREE PLUS PROGRAM

The 6 + 6 month 'Live' Interactive Video Online Meetings (1.5 hours per meeting) include:

Marketing entry plans are confirmed, and fine-tuned, legal entities are formed, banking connections are started, initial operations are scheduled to start, personnel are located to work for the company; the supply chain, production and service activities start. Lead development and sales are implemented; Distribution channels are identified, and approach strategies are detailed.

The extended advisory assistance consists of business, marketing and lead generation support by our dedicated group of consultants – weekly advisory.
